Dear Colleagues,

**Re: New discipline and sub-disciplines for Biokinetics.**

Currently, the discipline of Biokinetics is classified under the Clinical Technology discipline (075) with a sub-discipline (009). It has been brought to our attention by the NDoH that the grouping of Biokinetics under the Clinical Technology discipline is incorrect as Biokinetics should be classified as a discipline on its own rather than being classified as a sub-discipline.

In order to rectify this, BHF will be amending the PCN system to correctly reflect this discipline. Please note, therefore, that as from the 1<sup>st</sup> June 2009, the discipline number for Biokinetics will be reflected on the PCN system as **091 000**. Please note that the last seven digits of the practice number will remain unchanged.

As from the 1<sup>st</sup> June 2009, the new discipline number for Biokinetics will be reflected as indicated below on the PCN system.

Discipline	Sub Discipline	Discipline Description
091	000	Biokinetics

Yours sincerely,

**Heidi Kruger**
