Dear Colleagues,

Re. Addition of a new discipline and sub-discipline code on the PCN system – Applicable to Namibia only

Following the publication of the Namibian Government Gazette on the 6th of March 2009 announcing the new discipline of Psychological Counsellors and the scope of practice, please be advised that a new discipline will be added to the PCN system to accommodate this legislation.

The new discipline and sub-discipline number reflecting this change has been added on to the PCN system and is indicated as follows:

Discipline	Sub Discipline or Sub-speciality	Discipline Description	Sub Discipline Description
099	000	Psychological Counsellors – Namibian Practitioners Only	

B·H·F
www.bhfglobal.com

Please note that this discipline and sub-discipline code will apply only to Namibia. Psychological Counsellors registered in Namibia will be issued with practice numbers based on the registration criteria in that country.

Please find attached a copy of the full list of disciplines in Excel format. Please see the attached Namibian Government Gazette.

Yours sincerely,

Heidi Kruger
Head: Corporate Communications and PCNS
