Following communiqué MC09-58, in which we advised member schemes of the HPCSA's regulations relating to the specialities and sub-specialities of Medicine and Dentistry, and of changes in the discipline and sub-speciality codes relating to Clinical Haematology, we would like to advise you that these changes have now been implemented on the PCN system.

For your information, please find attached a copy of the full list of disciplines in Excel format as well as Communiqué MC09-58.

Yours sincerely,
