RE: MHG/QUALSA DONATION TO CHARITY

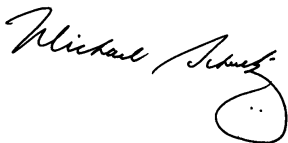

We are pleased to indicate that MHG/Qualsa have extended a warm and hearty invitation to organizations to sponsor a hole on the Gary Player Golf Course at R5500 each. This will enable sponsors to place their branding material on the respective tee or around the hole without interference with play.

Due to the outstanding response we have received in respect of this initiative in the past, we have been able to make magnificent donations to the Charity of Choice of the Executive Mayor of the Municipality in whose area our Golf Challenge Tournament has been staged.

Please note that the 9th and 18th holes are reserved by MHG/Qualsa whilst Messrs Chronicare Medicines will again, as in the past, provide refreshments to our golfers on the 4 short holes.

We look forward with keen anticipation to hearing from you in this regard and in respect of which you should contact Ms. Elsie Naidoo on 021-480 4604 or 083 4500310 or email: ENaidoo@mhg.co.za who will issue you the relevant invoice in this regard.

Yours sincerely
