## PROGRAMME Fourth Series

DATE: 19 August 2020

### Theme

**Embracing a digitally enabled ecosystem – *joining the dots***

### Summary

---

Artificial Intelligence (AI) is at the helm of every aspect of our lives and progressing rapidly to transform 'life-as-we-know it', driven through out-of-the-box tech innovations, robotics and the IoT.

#### Panellists to provide their views on:

- Bridging the digital divide in Africa
- Interoperability - Health Electronic record
- How technology is empowering the health citizen.
- How AI and machine learning are helping tackle COVID-19
- Using blockchain technology to prevent corruption in COVID
- Medical Audit – Empowering professionals to interrogate health and billing data
- How can UHC be achieved

### Series Facilitator

---

**Dr Ali Hamdulay, CEO: Metropolitan Health Group**

---

#### CONNECT

- ❶ 29 July
