PROGRAMME

Third Series

DATE: 12 August 2020

Theme

Perspective of leading women: on health - in Africa

Summary

In celebration of women's month, BHF is hosting a session to celebrate women as well as paying tribute to Health Workers in Africa.

The session also focuses on three Inspiring Women - leading change, in their journey they have overcome numerous challenges to achieve their goals.

Panellists to provide their views on:

- How to protect health workers in Africa
- Women as the custodians of national wellbeing and their unique challenges
- The alignment between business (livelihoods) and healthcare (lives')
- The contribution of academia/ research and development, in healthcare
- Optimising the use of Technology in preventative care – connecting with the health consumer

Series Facilitator

Ms Precious Matsoso; Co-chair Technical Group: World Health Organisation & Former DG of Health South Africa
