PROGRAMME Sixth Series

DATE: 9 September 2020

Theme

Sustaining the ecosystem, with the health citizen at the core

Session Summary

COVID-19 has highlighted a lot of gaps with the various health systems. The big question facing the healthcare industry across the region and the world is: Where to from here?

Session overview

The final series of our Dialogue 20/20 seeks to unpack the crucial question:

Given the lessons learnt what are the practical proactive steps in addressing gaps in the system? Are we going back to the drawing board?

Series Facilitator

Ms Geraldine Bartlett, Chief Professional Officer: Universal Healthcare Administrators
